

Finding ALS whilst driving from the south

Leaving the Frankfurter Kreuz (crossover) behind you exit the Autobahn number 5 onto the A648 in the direction of Wiesbaden but only briefly, exiting almost immediately onto the A5 again in a southerly direction.

Exit the autobahn number 5 via exit Uni - Klinik / Westhafen.

This brings you onto the Gutleutstrasse. Drive 1,8 kilometres towards the city.

Directly before the company Marx, on the right hand side, turn right into the Wurzelstrasse, this turns automatically right again into the Hirtenstrasse. Find numbers 9 - 11 on the left hand side.
